St. Louis, MO 63141)
Defendant.)

PETITION

COMES NOW Plaintiff Mark Unterreiner, by and through counsel, and for his cause of action against Defendant DXC Technology Services LLC, states as follows:

NATURE OF THE CASE

1. Plaintiff brings claims of discrimination on the basis of his age, national origin and race against his former employer, Defendant DXC Technology Services LLC (“DXC” or “Defendant”), in violation of the Missouri Human Rights Act, Section 213.010 et seq., RSMo 1986, as amended (“MHRA”).

PARTIES AND VENUE

2. Plaintiff is a citizen of the State of Missouri, currently residing in St. Charles County. Plaintiff was employed by Defendant and its predecessor companies from August 1978 to October 19, 2018. He is a Caucasian American whose year of birth is 1954, and, as a result, was and is a member of protected classes under the MHRA.

Exhibit A

3. Defendant DXC is a corporation registered to conduct business in Missouri. At all times relevant herein, DXC did in fact conduct business in Missouri.

4. Defendant DXC is an employer as defined by Mo. Rev. Stat. § 213.010(8) in that DXC, at all relevant times herein, employed six (6) or more employees in the State of Missouri.

5. DXC employed more than five hundred employees in each of twenty or more calendar weeks in the current or preceding calendar year.

6. This claim arose in the County of St. Charles, Missouri, where Defendant conducted business at all times relevant herein, employed Plaintiff to transact business on its behalf, and discharged Plaintiff.

FACTS COMMON TO ALL COUNTS

7. During his long tenure of employment at DXC and its predecessor companies, Plaintiff performed successfully in various positions in account management. He consistently received positive performance evaluations, bonuses in recognition of his contributions, and raises.

8. In October 2017, DXC promoted Plaintiff into the position of Account General Manager, where his job primarily entailed servicing the Microsoft account. Plaintiff began working at the Account General Manager position in November 2017.

9. On or about April 2, 2018, DXC reorganized and implemented a new sales account model for fiscal year 2019. Plaintiff began reporting to the Vice-President over the Technology Segment, Sid Nair, an Indian man who was in approximately his late 40's.

10. After a few months, DXC assigned Plaintiff to a new manager, an Indian man named Sameer Ranabhor, who was in approximately his early 50's. Mr. Ranabhor reported to Mr. Nair.

11. DXC directed Plaintiff to put into place a new sales team after the reorganization. Mr. Nair hand-picked the individual who would serve as Plaintiff's deputy on the sales team – Client Partner Somil Kumar, an Indian man who was in approximately his 40's.

12. The other sales employees on Plaintiff's team were Indian.

13. DXC's fiscal year runs from April 1 to March 31 each calendar year.

14. Plaintiff's new role deemphasized delivery, which was Plaintiff's primary focus in his previous account management positions, and focused instead on sales management. Since his sales team was newly assembled and starting from scratch, Mr. Nair explained to Plaintiff when he started in the Account General Manager position that DXC would give him time to meet sales goals.

15. In July 2018, Mr. Ranabhor gave Plaintiff a performance evaluation in which he rated Plaintiff's overall performance as "meets most expectations." At the time, Plaintiff had achieved 96% of targeted revenue goals and 102% of targeted profit goals.

16. By October 2018, Plaintiff had achieved 107% of targeted revenue goals and 97% of targeted profit goals. He also had achieved a high customer satisfaction score. He had two major sales deals in his pipeline that he was actively working on closing before the end of DXC's fiscal year. Those sales would have increased his overall sales numbers to meet all of his sales goals.

17. When new sales employees start at DXC, the company generally allowed the employee at least two quarters of development before taking adverse action, usually in the form of a performance improvement plan, as a result of the employee failing to meet sales goals.

18. Rather than giving Plaintiff an opportunity to meet all of his sales goals through the end of the fiscal year, Mr. Ranhabor fired Plaintiff summarily on October 19, 2018.

19. DXC never wrote Plaintiff up, warned him that his performance was so deficient that he could be immediately fired, or placed him on a performance plan before firing him.

20. Upon information and belief, younger, Indian employees in sales and account management roles failed to meet DXC's goals yet the company did not fire them. Examples of DXC's practice of retaining younger Indian employees who failed to meet sales or productivity goals include the following:

- a. Somil Kumar failed to meet the company's sales goals, but instead of firing or disciplining him, DXC promoted him;
- b. Mr. Ranabhor failed to meet sales goals, yet DXC retained him;
- c. Shell Sharma, an Indian man who was in his early 40's approximately, failed to meet DXC's goals in his role as General Manager over the Telecom sector, yet DXC did not fire him;
- d. Sumit Bhatia, an Indian man who was in his early 40's approximately, failed to meet DXC's goals in his role as General Manager over the Media & Entertainment sector, yet DXC retained him;
- e. Santhana Sankaramurthy, an Indian man who was in his 40's approximately, failed to meet goals in his role as Digital General Manager, yet DXC retained him; and
- f. Sunil Pandita, an Indian man who was in his early 40's approximately whom DSC promoted into the position of Account General Manager for the critical HPE account, failed to meet the company's goals yet DXC retained him.

21. Numerous business segments failed to meet DXC's sales goals by the third quarter of fiscal year 2019, including Telecom, Media & Entertainment, and HPI.

22. Nonetheless, upon information and belief, Plaintiff was the only manager selected for discharge in October 2018.

23. After his discharge, DXC replaced Plaintiff with Somil Kumar.

24. In addition, upon information and belief, DXC management has engaged in an initiative to create a younger workforce by discharging older workers and replacing them with younger employees, usually of Indian descent.

25. Plaintiff filed a timely charge of discrimination with the Missouri Commission of Human Rights ("MCHR") on April 1, 2019. On February 4, 2020, the MCHR issued Plaintiff a Notice of Right to Sue. Plaintiff filed this action within 90 days of the date of MCHR's Notice of Right to Sue, and within two (2) years of the last act of discrimination alleged herein.

COUNT I – DISCRIMINATION BASED ON PLAINTIFF'S RACE IN VIOLATION OF THE MISSOURI HUMAN RIGHTS ACT

26. Defendant's termination of Plaintiff's employment on October 19, 2018 violated Mo. Rev. Stat. § 213.055.1(1)(a) in that Plaintiff's race was a motivating factor in Defendant's decision to discharge him.

27. As a result of Defendant's discrimination on the basis of Plaintiff's race, as alleged herein, Plaintiff has suffered lost wages and benefits of employment.

28. As a result of Defendant's discrimination on the basis of Plaintiff's race, as alleged herein, Plaintiff has suffered emotional distress and mental anguish.

29. As a result of Defendant's discrimination on the basis of Plaintiff's race, as alleged herein, Plaintiff has incurred attorneys' fees and costs of litigation.

30. The conduct of the Defendant was outrageous because of the Defendant's evil motive or reckless disregard for Plaintiff's rights under Missouri law to not be discriminated against with respect to the terms, conditions, and privileges of employment. Such conduct warrants an award of punitive damages to punish Defendant and deter it from engaging in further acts of discrimination.

WHEREFORE, Plaintiff prays that this Court, after trial by jury, enter its Order and Judgment against Defendant and in favor of Plaintiff in an amount to be determined at trial for Plaintiff's lost wages and benefits of employment, and prejudgment interest thereupon, for front pay or reinstatement, and for compensatory damages, including damages for emotional distress, for punitive damages, for attorneys' fees and costs of litigation, and for such other relief as is just and proper.

COUNT II – DISCRIMINATION BASED ON PLAINTIFF'S NATIONAL ORIGIN IN VIOLATION OF THE MISSOURI HUMAN RIGHTS ACT

31. Plaintiff re-asserts and re-alleges the allegations set forth above in paragraphs 1 through 30.

32. Defendant's termination of Plaintiff's employment on October 19, 2018 violated Mo. Rev. Stat. § 213.055.1(1)(a) in that Plaintiff's national origin was a motivating factor in Defendant's decision to discharge him.

33. As a result of Defendant's discrimination on the basis of Plaintiff's national origin, as alleged herein, Plaintiff has suffered lost wages and benefits of employment.

34. As a result of Defendant's discrimination on the basis of Plaintiff's national origin, as alleged herein, Plaintiff has suffered emotional distress and mental anguish.

35. As a result of Defendant's discrimination on the basis of Plaintiff's national origin, as alleged herein, Plaintiff has incurred attorneys' fees and costs of litigation.

36. The conduct of the Defendant was outrageous because of the Defendant's evil motive or reckless disregard for Plaintiff's rights under Missouri law to not be discriminated against with respect to the terms, conditions, and privileges of employment. Such conduct warrants an award of punitive damages to punish Defendant and deter it from engaging in further acts of discrimination.

WHEREFORE, Plaintiff prays that this Court, after trial by jury, enter its Order and Judgment against Defendant and in favor of Plaintiff in an amount to be determined at trial for Plaintiff's lost wages and benefits of employment, and prejudgment interest thereupon, for front pay or reinstatement, and for compensatory damages, including damages for emotional distress, for punitive damages, for attorneys' fees and costs of litigation, and for such other relief as is just and proper.

COUNT III – DISCRIMINATION BASED ON PLAINTIFF'S AGE IN VIOLATION OF THE MISSOURI HUMAN RIGHTS ACT

37. Plaintiff re-asserts and re-alleges the allegations set forth above in paragraphs 1 through 36.

38. Defendant's termination of Plaintiff's employment on October 19, 2018 violated Mo. Rev. Stat. § 213.055.1(1)(a) in that Plaintiff's age was a motivating factor in Defendant's decision to discharge him.

39. As a result of Defendant's discrimination on the basis of Plaintiff's age, as alleged herein, Plaintiff has suffered lost wages and benefits of employment.

40. As a result of Defendant's discrimination on the basis of Plaintiff's age, as alleged herein, Plaintiff has suffered emotional distress and mental anguish.

41. As a result of Defendant's discrimination on the basis of Plaintiff's age, as alleged herein, Plaintiff has incurred attorneys' fees and costs of litigation.

42. The conduct of the Defendant was outrageous because of the Defendant's evil motive or reckless disregard for Plaintiff's rights under Missouri law to not be discriminated against with respect to the terms, conditions, and privileges of employment. Such conduct warrants an award of punitive damages to punish Defendant and deter it from engaging in further acts of discrimination.

WHEREFORE, Plaintiff prays that this Court, after trial by jury, enter its Order and Judgment against Defendant and in favor of Plaintiff in an amount to be determined at trial for Plaintiff's lost wages and benefits of employment, and prejudgment interest thereupon, for front pay or reinstatement, and for compensatory damages, including damages for emotional distress, for punitive damages, for attorneys' fees and costs of litigation, and for such other relief as is just and proper.
